

I do not want to see K-LOVE replaced with a LPFM broadcaster! K-LOVE is a wonderful, uplifting radio station. My family listens everyday, including my six year old daughter. It is a safe station with a positive message and I don't need to worry about offensive material being heard by my daughter's young ears. I feel our community benefits greatly from this radio station. Please don't allow it to be replaced!

Sincerely,
Brooke Hougham
